Code	Description	Options	Price
TX1C	Single Input	Board Only	£24
	Designed to close single relay receiver RX1C Lithium battery powered Range 20 metre approx Built in Antenna 868mhz licence free	Wristwatch enclosure	£30

Radio Transmitter contact closure

Code	Description	Options	Price
TX4C	Dual input	Board Only	£38
	Can operate 1 of 4 different relay contacts use with receiver RX4C	In enclosure	£51
	Battery Powered Built in antenna Range 50 metre PC programmable	Waterproof pendant enclosure (IP65)	£42

Radio Transmitter contact closure

Code	Description	Options	Price
RX1C	Receiver with single relay contact	Board Only	£43.00
	Use with TX1C N/O or N/C momentary contact	In enclosure	£55.00

Receiver Module 1 contact

Code	Description	Options	Price
RX4C	Receiver with 4 relay contacts Use with TX4C's N/O and N/C contacts momentary or latching controlled from TX4C transmitter	In enclosure	£175

Receiver Module 4 contacts

Code	Description	Options	Price
TX1D	Single Input	Mid Power (100m)	£48
	POCSAG transmission	High Power (500m)	£58
	LED Transmission indication.	Mains Adapter	£10
	16 User Selectable Messages		
	Auto repeat option with stop		
	For use with message receivers RXM...		

Single Input POCSAG Transmitter

Code	Description	Options	Price
TX6D	Six Input	Mid Power (100m)	£62
	2 N/O input	High Power (500m)	£65
	4 N/O or N/C inputs	Mains Adapter	£10
	POCSAG transmission		
	LED transmission indication		
	Programmable by PC		
	For use with message receivers RXM...		

Six Input POCSAG Transmitter

Code	Description	Options	Price
TX8D	Eight N/O Inputs	Mid Power (100m)	£69
	POCSAG transmission	High Power (500m)	£74
	LED transmission indication	Mains Adapter	£10
	User Selectable Messages		
	For use with message receivers RXM...		

Eight Input POCSAG transmitter

Code	Description	Options	Price
TX2D	Dual Input	Mid Power (100m)	£48
	1 st input start	High Power (500m)	£53
	2 nd input stop	Mains Adapter	£10
	16 user selectable messages		
	POCSAG transmission		
	Optional repeat and timeout		

Dual Input

Code	Description	Options	Price
IO3T1	Allows an AND Gate to be created from 2 or 3 volt free inputs triggering a time adjustable clean contact output		£39

AND gate contact

Code	Description	options	Price
CC1	Customer call point With auto repeat Message status Cancel button 16 selectable messages	Battery Powered Mains adapter Synthesised voice status indicator	£69 £10 £45

Customer Call

Code	Description	options	Price
TXSC1	1 message unit	Battery Powered	£80
TXSC2	2 message unit	Mains Adapter	£98
TXSC8	8 message unit		£10
TXSC12	12 message unit		

Staff Call

Code	Description		Price
TXSC16	Small messaging centre 16 messages	-	£248

Messaging Console

Code	Description	Dimension	Price
TXSC5 4	Large messaging centre 54 messages	-	£280

Large Message Console

Code	Description	Dimension	Price
TXPD	Waterproof pendant with Message transmission (ip65)	-	£60

POCSAG Pendant

Code	Description		Price
RXM LED01	LED Display / Receiver 35mm LED Characters Wall Mounted Selectable audio output		£330

LED Display

Code	Description	Options	Price
RXM LCD01	LCD Display / Receiver Back lit 6mm character	Standard PC Output for call logging/ analysis Analysis software	£148 £320

LCD Receiver / Display

Code	Description		Price
RXM PG01	Alphanumeric Pager Text Audible and vibrate alert Belt clip and saver		£42

Pagers

Code	Description		Price
RXM DECT	DECT telephone receiver including controls and phones		poa

DECT integration

Code	Description		Price
ProtioTx 01	Interface to Alarm systems notifies deaf person of alarms via a vibrating pager / pillow		£870

Protus fire alarm panel
